A vintage-style bicycle with a light-colored frame, a black seat, and a wire basket filled with pink flowers is leaning against a textured, light-colored wall. The bicycle has a chain guard and a kickstand. The background shows some greenery at the bottom.

**Do you ride a bike?  
What do you like about  
riding a bike?  
What don't you like about  
riding a bike?**

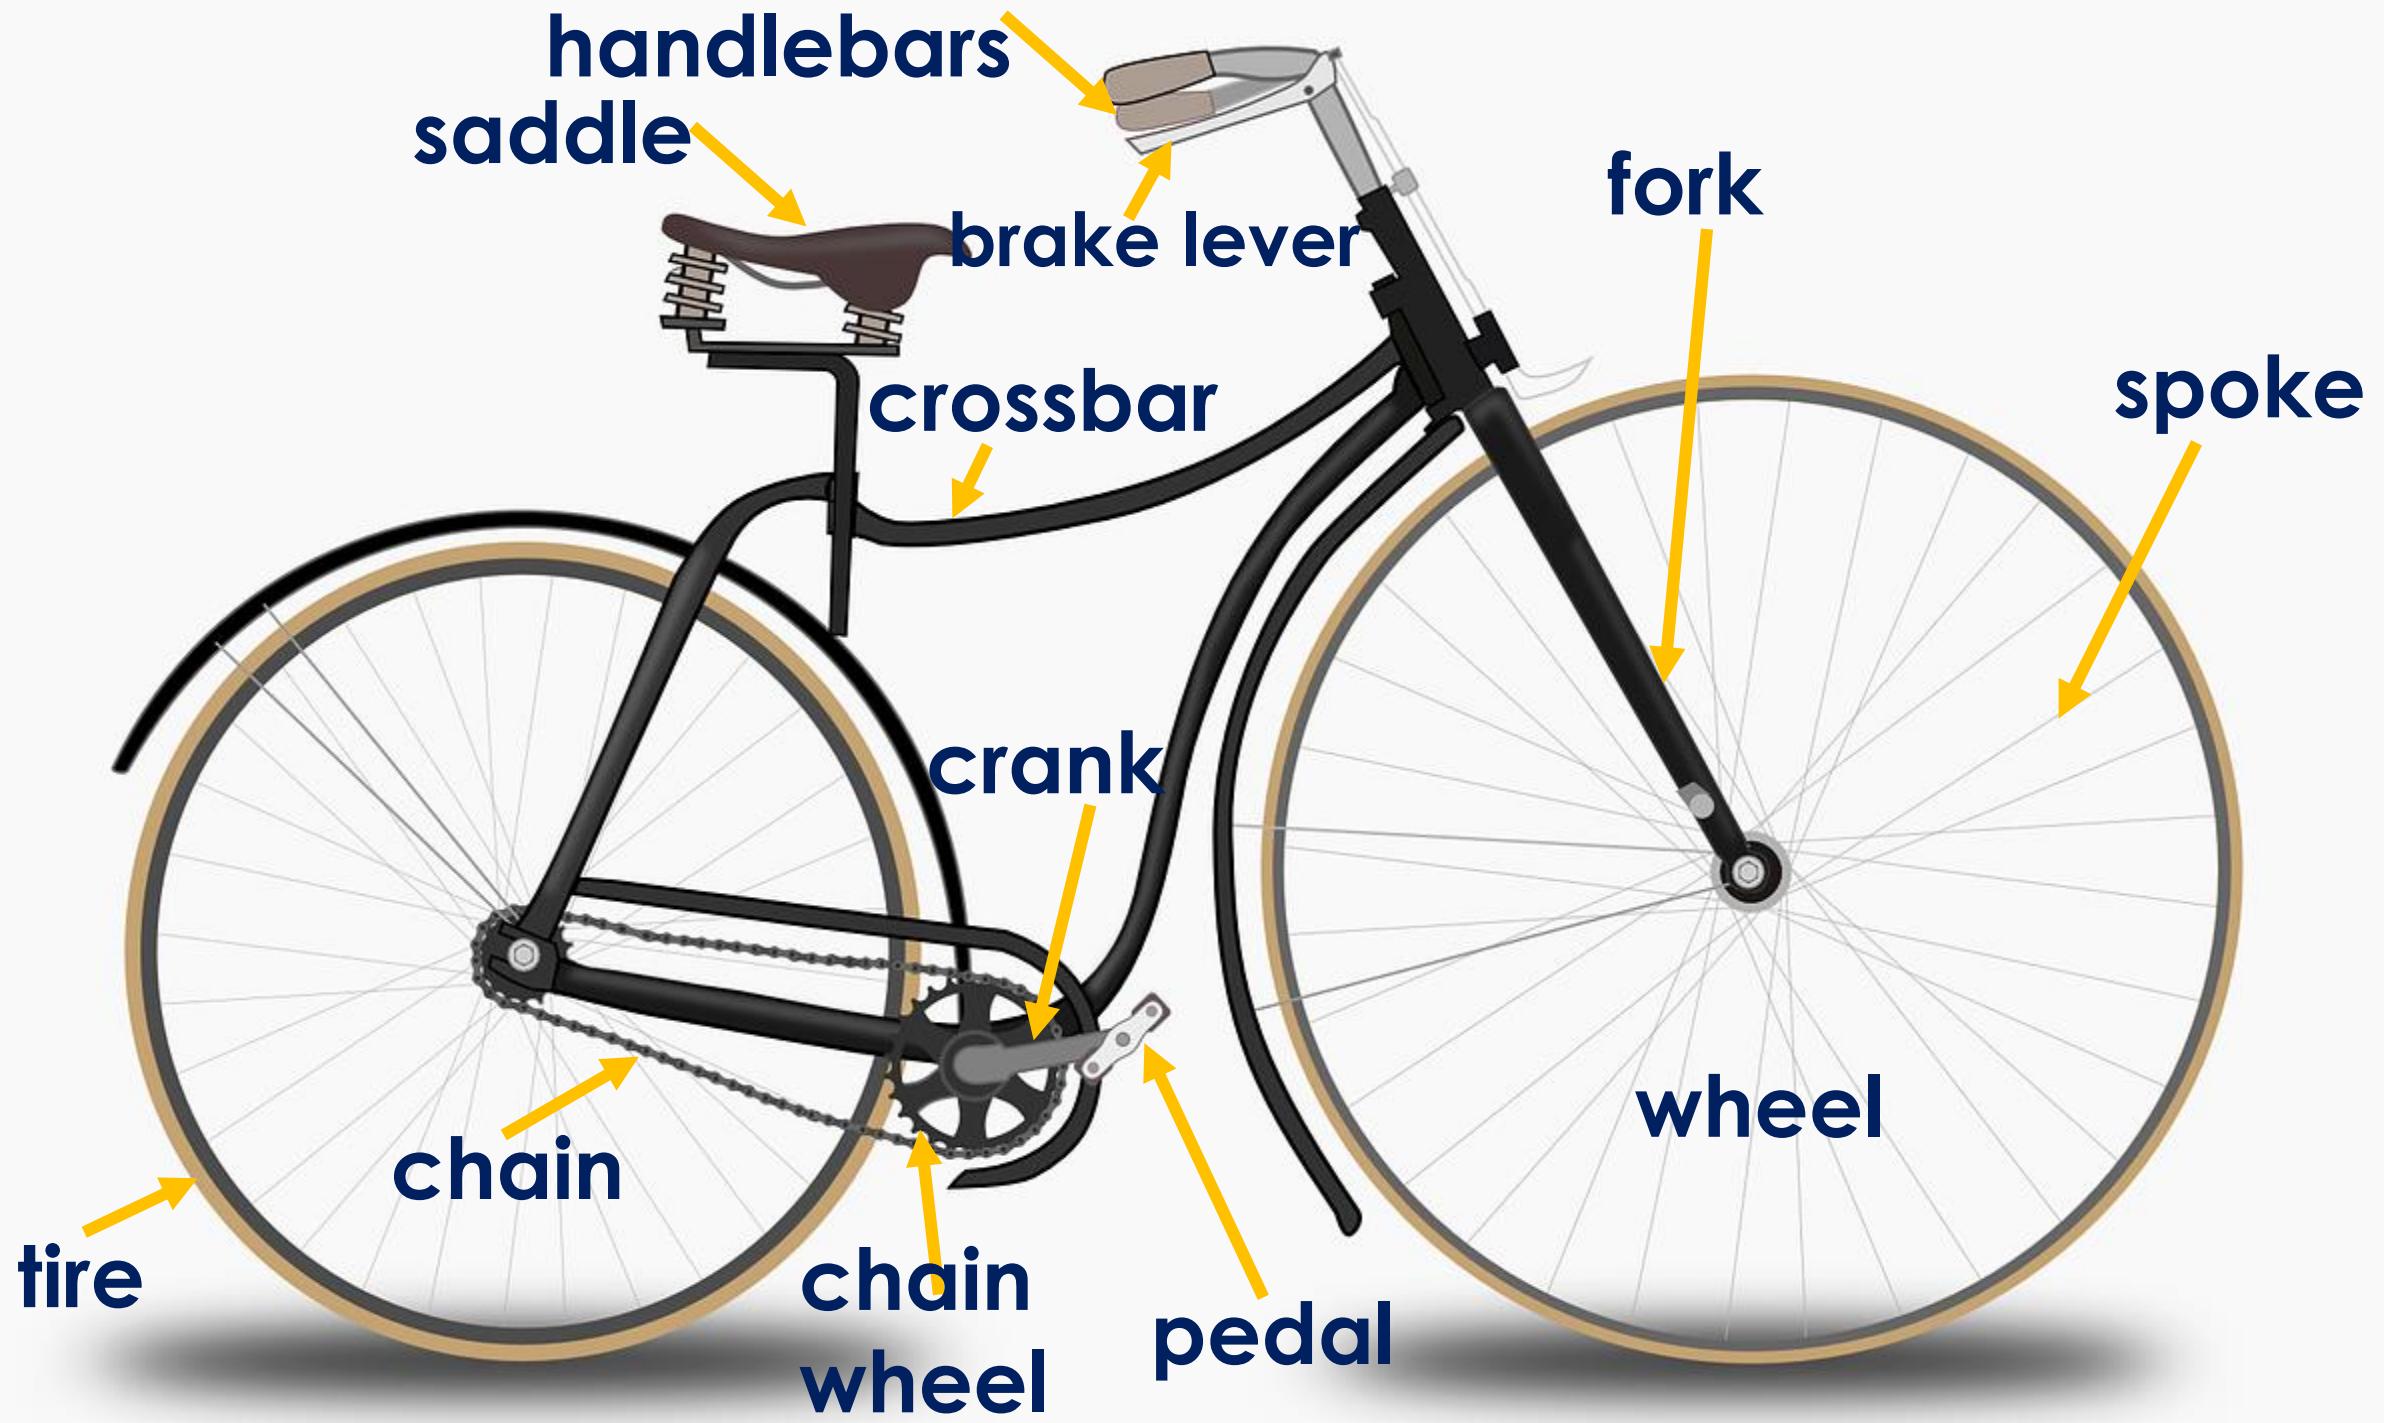

**When was the last  
time you rode  
a bike?**

**What are the good  
sides of moving by  
bike?**

How many bike parts  
can you name?

# Match other bike parts with their use.

**stand**

**water bottle**

**valve**

**front/rear brake**

**rear rack**

- it's useful to carry things or to give other people a lift on the bike
- a part which helps you to add air to the inner tube
- you use it when you're riding and you want to stop the bike
- it's useful when it is hot
- you use this part if you want to have a break and leave your bike for a moment

# Answers

**rear rack** - it's useful to carry things or to give other people a lift on the bike

**valve** - a part which helps you to add air to the inner tube

**front / rear brake** - you use it when you're riding and you want to stop the bike

**water bottle** - it's useful when it is hot

**stand** - you use this part if you want to have a break and leave your bike for a moment

**Now create your own  
sentences with the  
bike parts you have  
learnt**

**What's the longest distance  
you have covered on a bike?**

**Have you ever been  
on a bike trip?**

**How should you prepare for  
a one-week bike trip?**

**How old should  
children be to ride  
a bike without  
adult's help?**

**How should parents  
protect children on  
a bike trip?**

**Is biking for everyone?**

**Who shouldn't ride  
a bike?**

**Are there any dangers  
connected with riding  
a bike?**

**Have you ever had  
a problem with your  
bike?**

**What kinds of  
problems can you  
have with a bike?**

# Match expressions with their definitions

have a bumpy ride  
go along for the ride  
be in the saddle  
on your bike  
backpedal

- to change your opinion
- to have power and authority
- to experience a lot of problems
- to join other people just for fun, not because you're interested in what they are doing
- (rude) to tell sb to go away

# Match expressions with their definitions

**backpedal** - change your opinion

**be in the saddle** - to have power and authority

**have a bumpy ride** - experience a lot of problems

**go along for the ride** - join other people just for fun,  
not because you're interested in what they are  
doing

**on your bike** - (rude) to tell sb to go away

**Discuss the following  
quotations.**

**Do you agree with them?  
Which of them do you  
disagree with?**

**Life is like riding a bicycle. To keep your balance you must keep moving – Albert Einstein**

**Crashing is part of cycling as crying is part of love  
– Johan Museeuw**

**Nothing compares to the simple pleasure of riding a bike  
– John F Kennedy**

**The best rides are the ones where you bite off much more than you can chew, and live through it – Doug Bradbury**
