**How many decisions do
you take every day?**

**What's the last decision
that you took?**

Think of as many adjectives as possible to describe the word CHOICE and the word DECISION

CHOICE – careful / good / informed / right / wise / bad / wrong / difficult / hard / stark / natural / moral / career

DECISION – big / crucial / important / key / major / difficult / hard / tough / firm / prompt / hasty / rash / final / irreversible / informed / good / rational / right / sensible / wise / bad / poor / wrong / collective / joint / unanimous

Now talk about

a final decision

a hasty decision

a wise choice

an informed choice

**you have made or someone has
made**

Check the meaning of the following words.

be at liberty

opt for

hesitate

prefer

sit on the fence

stark choice

freedom of choice

alternative

be in two minds about sth

Match the words with their definitions.

be at liberty opt for prefer alternative
sit on the fence stark

- hesitate
- harsh, unpleasant but impossible to avoid
- sth you choose to do instead of something else
- make a choice from a range of possibilities
- be allowed to do sth
- to like sth more than sth else

sit on the fence - hesitate

stark - harsh, unpleasant but impossible to avoid

alternative - sth you choose to do instead of something else

opt for - make a choice from a range of possibilities

prefer - to like sth more than sth else

be at liberty - be allowed to do sth

Which do you prefer?

ice cream or chocolate

coffee or tea

making decisions or advising sb what to do

driving a car or riding a bike

speaking in English or writing in English

being invited or inviting sb

**What do you do before
you make an important
decision?**

**How do you feel before
making an important
decision?**

choice

The image features a dark, textured background resembling a chalkboard. The word "choice" is written in a white, hand-drawn, sans-serif font. The letters have a slightly rough, chalky texture. Above the word, there is a white arrow pointing upwards. Below the word, there is a white arrow pointing downwards. To the left of the word, there is a white arrow pointing to the left. To the right of the word, there is a white arrow pointing to the right. The overall composition is centered and symmetrical.

- Describe the last time**
- you took a difficult decision**
 - you took a decision which was wrong**

Describe the last time
- you were in two minds
about sth

- you asked someone for
advice before making
a decision

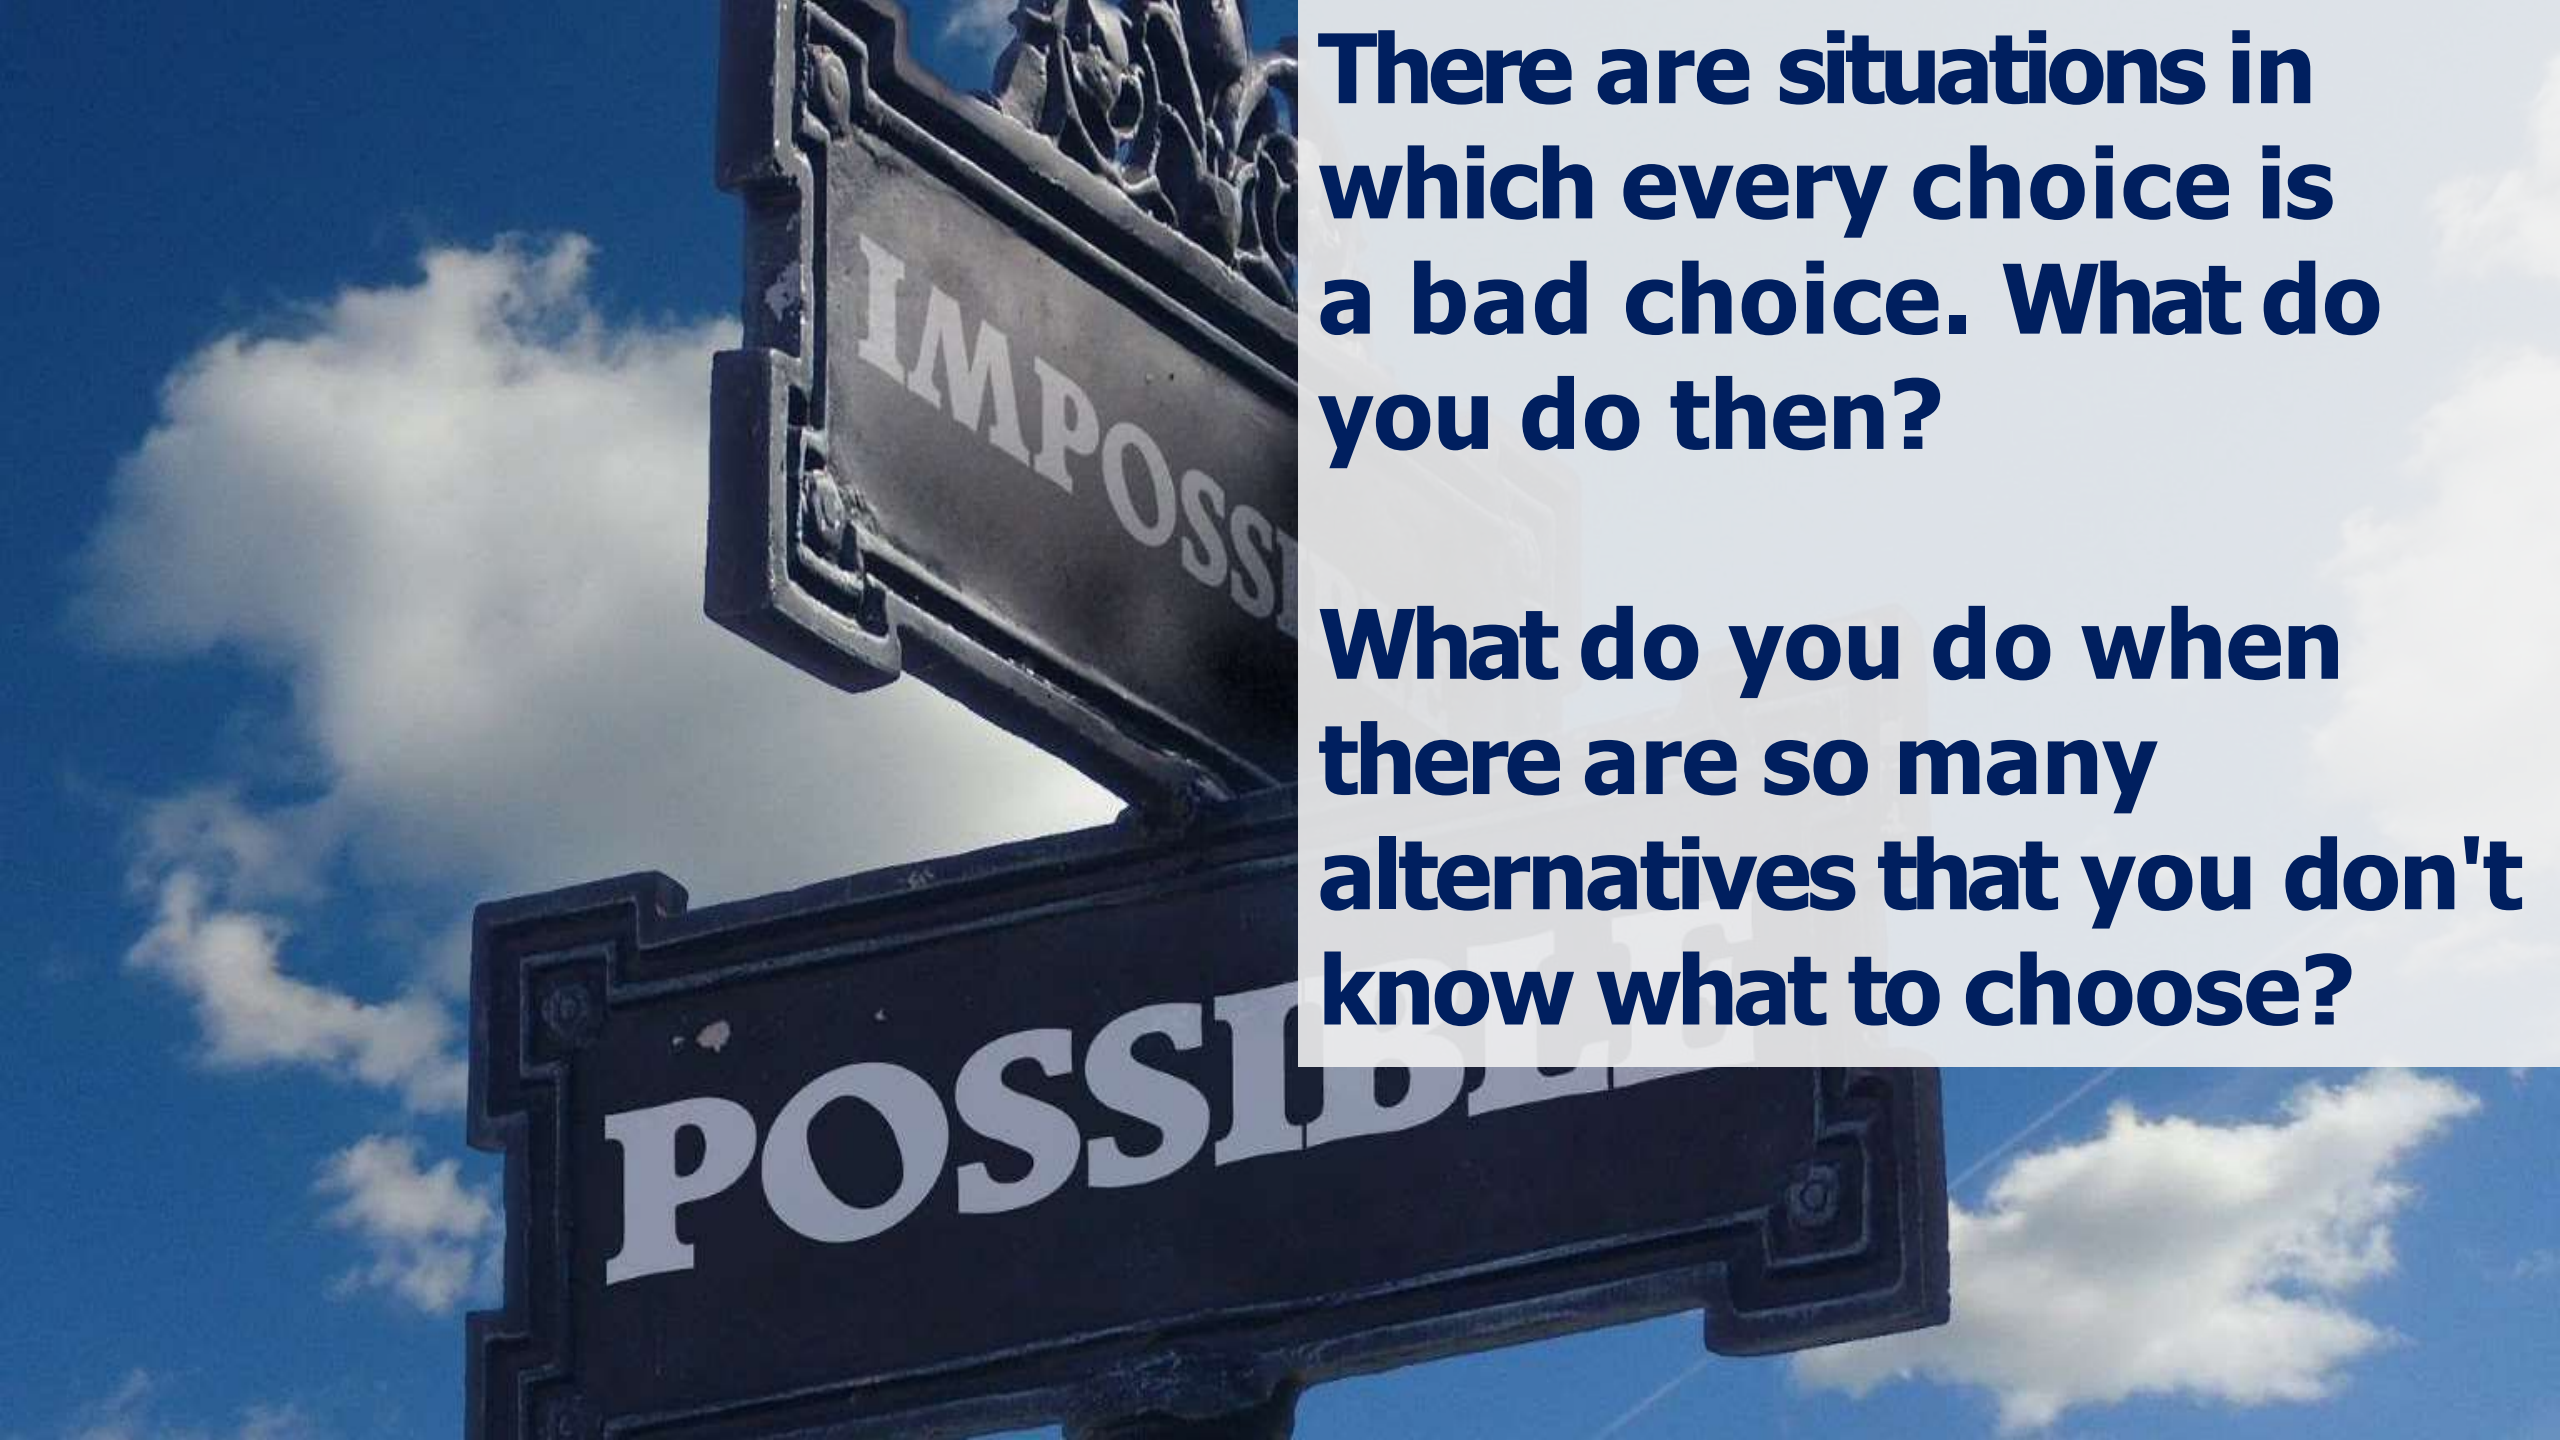

Do you vote? Why (not)?

Why do people decide not to take part in elections?

Should there be any punishment for not voting?

When you vote do you feel you have any choice?

There are situations in which every choice is a bad choice. What do you do then?

What do you do when there are so many alternatives that you don't know what to choose?

**What makes it easy /
difficult to take
a decision?**

**Why do people often
take the easy way out?**

Match expressions with their definitions

**be spoiled for choice
by choice**

**be on the same page
the bottom line**

stick to your guns

**weigh the pros and
cons**

- to understand and agree
- not changing your mind even if you're criticised
- to have a lot of options to choose from
- to say what the most important part of a situation is
- intentionally
- to analyse the good and bad sides of sth

Answers

be spoiled for choice - to have a lot of options to choose from

by choice - intentionally
